## Business pertaining to League Positions or topics of interest:

### Quality Instructional Programming:

- Report that **application for waiver of instructional hours approved**.
- Interim report on **summer activity request approval** postponed because the athletic league (WIAA) has not issued guidance yet, each district will depend on where their county is at in terms of re-opening phase.
  - Long discussion between Director Roberts and Superintendent Maxwell about the membership in the new league

### Responsible Use of Public Funds:

- Discussion about **new league costs**. According to the Superintendent, although the new league is more expensive, the sharing of ticket receipts and advertising should off-set. They will have to wait for a year or so of normal functioning to see how the combined effects come out.

### Your additional comments/opinions:

- District is doing a great job of making the zoom board meetings smooth, it is actually easier to see materials from the board packet in the zoom format.
