

# League of Women Voters of Pullman Observer Report

Pullman Arts Commission January 14, 2021

Uta Hutnak

The meeting was held by **Conference Call** (*it is hard for me to follow the proceedings this way and to get all that's discussed*)

PAC Members:

Jeri Harris  
John Rich  
Katie Bunch Emerson  
D. Brady Boone  
Brandon Burch  
Judy Dunn  
Gail Siegel

Guest: Kristen Lincoln, Gladish Marketing and Development Manager

The **Utility Box wrap project** is going forward; two boxes will be wrapped as soon as the weather allows. One is on the intersection of Bishop Boulevard and S Grand Avenue, the other across from the Library, off the street. The project will go to the City Council for final approval.

**Anti-Racism Mural:**

There have been several submissions which can be seen on the PAC Facebook page. Several images were shared at the meeting *but I couldn't see them.*

**Artfest:** it was decided to **cancel** Artfest for this year and to concentrate on Window Walk instead

**Window Walk** is a Community Art Project. Members are contacting downtown businesses if they want to participate by displaying art pieces in their store windows. They will display only pieces that the businesses are comfortable with. It would also make empty buildings more appealing. There is lots of interest from business owners. PAC members are also working with students to include student art.

Kristen Lincoln introduced herself to the PAC members and emphasized that **Gladish wants to connect and collaborate with PAC** in the future to support and promote art in Pullman.
