Content (What is being discussed):

I arrived a half hour late, as had a meeting conflict. The topic of discussion when I arrived was the Art Acquisition Policy. The members were discussing items in a document, that I didn't have access to, so my understanding was not possible. The document referred to: Art Acquisition and the policies around it. The actual document should be available in the coming weeks or months, Look for clarification soon.

Library Developments covered: Update on **hiring an Adult Services person**: The position was offered, but rejected. The search is continuing. **The Part-time Youth Services position** was filled by someone currently on staff. It was thought that the same pool can be used to fill other position. Update at next meeting.

Library Budget is on Track. I think it was noted that there will be a 26% increase in the budget for next year. It is predicted that there will be a 10% give back to the city which should be around \$200 K

Dan LeBeau will be leaving the board in the new year.

Next meeting is Wednesday, November 9th.
