

League of Women Voters of Pullman Observer Report

Name of Agency: Pullman School Board Date: 24 April 2019

Observer Reporting: Carol Ndambuki Length of Meeting: 6:30—8:00 PM

Members Present/Absent: All Present

Others Present (i.e., media, public): District Nursing Director, Administrative Intern gave reports

Content:

Quality Instruction:

- Superintendent continued with presentations about **how each school is reviewing, discussing, and designing improvement** based upon the survey. Work is being done during staff meetings and plans are required to add measures and goals to each school's improvement plans.
- Administrative Intern at **Lincoln Middle School** reported on her **six projects** and their impact on improving teacher interactions with students.
- Continue work on **District Strategic Plan**, ESD 101 is working with the district in data collection through interviews with students and teachers, providing feedback about the plan
- Final District Strategic Plan due in June 2019

Post-Secondary Training:

- Working with **Spokane Falls Community College** to create a **combined Skills Center** to start with articulation agreements with CTE/College credit
