  - Will loop out to the buildings, district has ordered additional copies for School Board and Staff/Faculty who have requested

- New Course Proposals
  - **PE/Health updates** to realign and organize courses to fit better to modern circumstances
    - Fitness was taken repeatedly and was not a lot of choice despite the fact that research demonstrates that folks get involved when they can pursue what they enjoy, so more options

### Your additional comments/opinions:

- District is doing a great job of making the zoom board meetings smooth, it is actually easier to see materials from the board packet in the zoom format.
- A wonderfully normal, run-of-the-mill Board meeting—after the year we have all had, it was refreshing!
