### **Business pertaining to League Positions or topics of interest:**

*Department updates, interesting bits: The meeting was very short and mostly involved steps related to the death of the Assessor, such as electing and installing a successor.*

### **Commissioner action:**

*Funds for installing **new utilities at the Fairground RV park** were approved.*

*The Commissioners hope for additional public input on the **update County Comprehensive Plan**.*

*There is a severe **shortage of building inspectors** at both the county and town level through out Whitman County. It may cause delays in construction.*

*The meeting was on Zoom. There were about 17 participants but there were no introductions so I was not able to identify individuals whose names I didn't recognize, everyone was very cordial.*
